Payment in full is required prior to printing materials. Your printed materials will be delivered to Certified Folder within 5-10 working days from electronic proof approval and online checkout (or receipt of your signed contract and payment, if processed offline).

Green Initiatives and Processes

ZUZA is committed to being an eco-friendly printing company, with green printing services. In addition to our active paper stock waste recycling program and our use of environmentally-friendly vegetable based inks, we also offer you the choice of many fine printing papers that are certified as being produced using responsible forest management. When you choose these papers for your print needs, you are taking an active part in helping preserve the world's precious forests. ZUZA has been certified to both the Forest Stewardship Council™ (FSC®) and the Sustainable Forestry Initiative® (SFI®) chain-of-custody standards as part of the production chain for environmentally safe products from forests, and we offer you a variety of papers with certified forest content procured from FSC and SFI certified forests. It's just one more way ZUZA strives to provide you with environmentally friendly printing you can feel good about.
